1. General Information

The University’s fiscal year begins on July 1 and closes on June 30 of the following year. For departments closing a fiscal year, there are two critical periods to remember:

**The time prior to June 30** – All transactions entered before June 30 will be current year (FY19) business. Financial transactions should be reviewed in advance of this date in order to ensure that they have been correctly posted in your budget purposes (accounts). Required corrections and adjustments should be submitted as soon as they are identified. Please note: Any transactions entered July 1, 2019, or later in local accounts will be considered FY20 activity.

**The lapse period – July 1 through August 31 – for STATE ACCOUNTS ONLY** – The State of Illinois allows a two-month period in which to finalize financial transactions in state accounts (BP 270xxx, BP 272xxx, and BP 372xxx) that should appropriately be recorded in the “old year” (FY19). However, funds must have been encumbered (committed) prior to June 30, 2019, in order to be considered FY19 transactions. For additional information regarding the encumbrance of state funds, please see “Utilizing State Funds” in item 5 below.

Please ensure that any FY19 state account transactions are submitted in a timely manner to allow posting before August 31, 2019. Invoices and/or Invoice Distribution Forms (IDFs) to be processed against FY19 state funds must be received in Accounts Payable by August 5, 2019. **After August 31, no more transactions will be allowed on FY19 state funds.** After that, payments cannot be charged to either FY19 or FY20 state funds but will instead have to be charged to a local account or to a Foundation account.

**AIS Unavailable during Year-End Processing:** The Administrative Information System (AIS) will be restricted to a limited number of users beginning at 10 a.m. on Friday, June 28. AIS will be unavailable while general ledger balances and encumbrances roll to FY20. During this time, no checks will be written. It is anticipated that AIS will be available to all users again on July 1.

2. Purchase Requisitions

All FY19 purchase requisitions (regardless of the paying account) must be received in Procurement Services by the deadlines listed below. Procurement Services cannot guarantee that requisitions submitted after the deadlines will be paid from FY19 funds.

- **Purchase Requisitions of $500,000 or more:** Purchase Requisitions in the amount of $500,000 or more generally require approval of the Board of Trustees. The last Board meeting scheduled for FY19 is May 16, 2019. The deadline for inclusion in the final FY19 Board meeting is March 15, 2019. For those requisitions in the amount of $500,000 or more which require the approval of the Board of Trustees, every effort will be made to meet the inclusion deadline for the May 16 meeting. The next meeting will be July 18, 2019.
• **Purchase Requisitions exceeding the Small Purchase Maximum:**
  Purchase Requisitions exceeding the Small Purchase Maximum ($100,000 for goods and services, including professional services), **must be received in Procurement Services no later than April 1, 2019.** The deadline is necessary to allow the time required for bidding.

• **Purchase Requisitions not exceeding the Small Purchase Maximum:**
  Purchase Requisitions not exceeding the Small Purchase Maximum will be accepted until May 1, 2019. A minimum of two vendor quotes must be obtained, one being from a diverse vendor that is certified through CMS BEP.

Please note that all purchase requisitions, regardless of the dollar amount, must be signed by the appropriate Vice Chancellor. In addition, all requisitions totaling $50,000 or more must be signed by the Chancellor.

**3. Purchase Orders, including PPOs**

**Purchase Order Revisions:**
The last day to increase or decrease FY19 state funded Purchase Orders is June 3. All revisions for increases must be signed by the appropriate Vice Chancellor, and the Chancellor must sign for increases of $50,000 or more.

**Releases and Receipts:**
Departments must have all Releases entered and approved and all Receipts for FY19 Purchase Orders entered no later than 4:30 p.m. on June 25, 2019.

**Note:** Departments utilizing **Planned Purchase Orders (PPO)** should pay particular attention to the expiration date. If an invoice has not been received for a purchase against a PPO which expires on June 30, 2019, a release for an estimated amount of the purchase should be entered and **approved** in AIS. If an estimated amount cannot be easily determined, enter and approve a release for $1 (one dollar). Upon receipt of the invoice, the Department can adjust the release within AIS. Please note that releases **cannot** be entered into AIS after the expiration date of the PPO, and that releases left “unapproved” **cannot** be adjusted and approved after June 25, 2019.

Purchase Orders issued after July 1 will be encumbered against and charged to your FY20 budget.

FY19 planned and standard Purchase Orders using state funds will be cancelled during September 2019, and those using local funds will be cancelled during October 2019.

**4. AIS Internal Billings**

All AIS Internal Billings must be submitted to Accounts Payable prior to noon on Wednesday, June 19, 2019. Billings received after that time will not be processed as June business.
Remember that after July 1, billings for FY19 must contain this statement on the billing summary sheet:
“I certify that the charges for goods or services contained within this billing were ordered or delivered prior to July 1, 2019.”

5. **Utilizing State Funds for Transactions that Cross Fiscal Years**

- Regular subscriptions and memberships, if crossing fiscal years, **CAN** be paid in the current fiscal year and do not require prorating.
- On-line services, if crossing fiscal years, **MUST** be prorated between fiscal years.
- Maintenance agreements and fees, if crossing fiscal years, **MUST** be prorated between fiscal years.
- Licenses for periods covering two fiscal years **CAN** be paid in the current fiscal year.
- Registrations for conferences in FY20 can only be paid in the current fiscal year if there is a written requirement of payment prior to June 30. State of Illinois regulations do not allow discounted prices and cost savings to be considered.
- **Deposit for Lodging:**
  
  To confirm lodging arrangements the vendor often requires one night’s deposit or a credit card guarantee. For lodging occurring from July 1 through August 31, FY19 travel funds for one night’s deposit may be used whenever expressly required in writing by the vendor. Payment must be made directly to the vendor.
- **Payments to travelers for prepaid air travel costs** **CAN** be paid from FY19 funds if **ALL** of these conditions were met:
  a. The airline tickets must be for travel completed on or before August 31, 2019.
  b. There must be a certification on the IDF or travel voucher stating the airline ticket was purchased to “ensure availability of a seat on that specific flight” (State Comptroller’s requirement)
  c. There must be sufficient travel funds in the account(s) to pay for the full cost of the ticket from FY19 funds.

6. **Travel**

All FY19 Travel Reimbursement Vouchers, regardless of account, must be received in Accounts Payable section of Accounting Services by July 22.

If travel expenses crossing fiscal years are being charged to a **STATE** account, separate vouchers are required for the period in each year. The total airfare must be included in the FY19 travel voucher.
7. P-Cards

1. The last day to return ordered merchandise from Office Depot for FY19 credit is June 7.

2. The last day to order any products or services (including Office Depot) using a P-Card for FY19 is Friday, June 28. Remember that you may not purchase office supplies from another vendor without the prior approval of Betty Rouse, Purchasing Officer.

3. All FY19 P-Card transactions must be delivered, reconciled, and approved no later than July 31.

4. The last day to process P-Card corrections for FY19 state accounts is July 22.

NOTE: Transactions purchased/ordered by P-Card on or before June 30, 2019, will be charged to FY19. Transactions purchased/ordered by P-Card on July 1, 2019, and after will be charged to FY20.

In order to reconcile the P-Card Clearing Account for FY19, all P-Card transactions should be reviewed and approved within 30 days of the transaction date.

8. Human Resources, including Payroll

The final payroll that will process and post in June will be the student payroll (ST 13) for June 2-15. This payroll will begin processing on June 21.

After that, these payrolls will process and post in July but may include entries for FY19:

PLEASE NOTE: No manual adjustments will be made after the final deadlines.

9. **Plant and Service Operation Charges (Physical Plant, Printing/Duplicating)**

**Physical Plant:**
University guidelines require that all services must be contracted for by June 30, 2019, and completed and billed by August 22, 2019. Be sure to complete the FY Funds box when submitting a Request for Physical Plant Services if the budget purpose to be billed is state funded.

- **General Improvements Requests** (GIRs) billed to FY19 state funds **must be received** at Physical Plant Engineering Services by April 16 and the work must be able to be **completed by** August 16, 2019.

  - **GIRs** are projects that involve:
    - Physical Plant Engineering Services, and/or
    - Changes to buildings, floor plans, site, structure, environment, components, systems utilities, or
    - Specific projects including carpet/floor tile replacement and window treatments.

  Some projects are more involved and may require additional time.

- **Service Requisitions** (SRQs) billed to FY19 state funds **must be received** at the Physical Plant by May 24 and the work must be able to be **completed by** August 16, 2019.
**Printing/Duplicating:**
All requests for Printing, Duplicating-Mail Center, Campus Forms and Campus Signs using **state** accounts must be received by Printing/Duplicating by noon June 6 to be billed as FY19 jobs. Any state account requests received after this date will be billed in FY20.

Requests using **all other accounts** must be received no later than noon June 6 to be billed during June 2019. Jobs using local accounts received after June 6 will be billed in FY20. If it is critical that a job be billed in FY19, please make sure to meet this deadline.

**10. Student Center Bookstore**

Any **special order** requests for books or supplies must be submitted to the University Bookstore no later than **May 24**.

The last day to charge **in-stock** merchandise at the Bookstore to be billed against FY19 funds will be **June 3**.

**11. Bursar Deadlines**

The deadline to make an FY19 deposit at the Bursar will be 2 p.m. on June 27. Monies received after that deadline will not be processed until FY20, and will not be reflected in the June 30, 2019, cash balance of your account.

**12. Accrual Deadlines for Accounting Services**

The deadline to submit FY19 accrual entries, including compensated absences, to Accounting Services is **Friday, July 12**.

**13. Correcting Entries for FY19 Transactions**

The deadline to submit corrections to Accounting Services for P-Card transactions, Transfer Vouchers, and Bursar deposits on **local** accounts is 4:30 p.m. on Friday, **June 21**. Corrections received after that date will be entered in July as FY20 business.

Corrections for Invoice Distribution Forms (IDFs) on state accounts must be submitted to Accounts Payable section of Accounting Services no later than Monday, **July 22**.

The deadline to submit corrections to Accounting Services for P-Card transactions, Transfer Vouchers, and Bursar deposits on **STATE** accounts is 4:30 p.m. on Monday, **July 22**.
14. Grant Requirements

Final reimbursement claims for awards with end dates of June 30, 2019, and funded by the State of Illinois, must be received at the sponsoring agencies by July 31. This requirement assists agencies in meeting the State Comptroller’s lapse period, which ends August 31.

Timely submission of reimbursement claims requires the following actions:

- Reconcile all P-Card transactions for your award prior to July 1.
- Submit requisitions to Procurement Services in time to allow for payment by July 16.
- Process all payments for goods or services in a timely manner.
- Submit payroll corrections in time to allow for inclusion on the June “Funds Available Report of Transactions.”
- Notify Grant and Contract Accounting by July 16 if there are outstanding expenses applicable to your State of Illinois award. This will allow for the proper inclusion of all costs in the final reimbursement claim.

15. Budget Entries: BAA and FAR

For state accounts, any remaining budget balance at June 30, 2019, will roll into the lapse period. This balance may be used during the lapse period between July 1 and August 31 if the goods and/or services have been committed prior to June 30.

The deadline to submit Budget Allocation/Adjustment (BAA) and Funds Allocation Adjustment (FAR) forms for entry before June 30, 2019, will be Thursday, June 27.

The deadline to submit FY19 Budget Allocation/Adjustment (BAA) and FY19 Funds Allocation Adjustment (FAR) forms for state accounts will be Wednesday, August 28.
